This free gift is available to everyone. The only thing you have to do is accept it. It's as easy as praying and asking God to forgive your sins, acknowledge that He sent His son to die on the cross for all of your sins, past, present and future, and then ask Him to come into your life. This free gift is waiting for anyone who will just reach out, take it, and open it. You don't have to wait for a special occasion.

This doesn't mean I am perfect and don't sin. It means when I do sin and confess it, I am forgiven. Once we ask Jesus into our lives, He will never leave us. It doesn't mean life will get easier, but He will be with us and give us the strength to go thru difficult situations. I struggle daily with the pain of fibromyalgia. It is only with God's strength that I can deal with the pain and it also gives me opportunity to relate to others who are living with pain.

**"For God loved the world so much that he gave his only Son, so that everyone who believes in him may not die but have eternal life. For God did not send his Son into the world to be its judge, but to be its savior."  
John 3:16-17**

The perfect gift is not one you can buy at a store or on the internet. It doesn't cost a thing. It's FREE. It comes from God alone. It is the gift of His son, Jesus Christ.

I was brought up in a Christian home and my parents took me to church all the time. My grandmother was my Sunday school teacher. I knew all the Bible stories and all about heaven and hell. I was told at a very young age I asked Jesus to come into my life but I was too young to remember doing it. At the age of 18 after listening to my pastor's message about spending eternity in hell if we didn't have Jesus in our life, I prayed and accepted the free gift of salvation.
